Annotation: This article Turkish Muslim statehood development own on time high to the top raised the Seljuks of the state history illuminant sources about information gives this is it in sources the Seljuks come output, socio-economic life, political reforms of the state blooming lived period and crisis reasons light up gives.

Key words: Oguz, Dandanakon, Yangikent, Tus, Radkon, Jalaliddin Malikshah, Qarluq, Chigil, Argu, Yagmo, Abu Ali ibn Ali ibn Ishaq, Siyosatnama, Sultan Sanjar.

Introduction: IX century At the end of surface came complicated political process Central Asia in the area one how much Turkish of states to the body to come reason it happened Same so countries in line Tahirids, Saffarids, Somanids, Karakhanids, Seljuks such as countries example as we bring can of these countries Uzbek statehood in history held place incomparable Moreover, this countries Turkish Muslim statehood development high to the point take came out Islam religion Medium in Asia Somonites during wide spread out started. As a result To the Somonites neighbor was in the regions of Islam spread wide the ground created Socio-economic clutter, taxes increase Somonites of the state weakening take came and Nasr Elaq Khan in 999 led by Karakhanis by pressing taken with completed.

Somonites state in the area organize found Karakhanis the state is also the same how many from the seeds organize found was for example, crows, chigils, argyus, yagmos and another nations entered until 960 Islam religion acceptance those who did Karakhanids statehood system from himself before the past Turkish khanate, Turkash state such as Turkish of states statehood experience and to their traditions based on In particular The Seljuks last the king Sultan Sanjar Karakhanis in Movaraunnahr ruler Arslan Khan's weakened from the rest using Samarkand and his surroundings pressing takes from this after Karakhanids to the dynasty belongs to local Khans in practice Sultan To Sanjar subordinate being remains.

Main part: The Seljuks this They are not ethnic names Turkish Oguz are tribes. They are river lower in the foothills of the island in the basin lived more Nomad life forgave. In the book "Oguznoma". saying According to reports, Oguz clans, peoples very ancient to history owning it, they have the first Oguzkhan named great commander leadership did. IX century the end of the 10th century to the middle Come, Island tall and Caspian in the north Oguz seeds union formed. X century at the end Syr Darya at the bottom the capital Yangikent was Oguz state organize finds XI century to the middle come this state northern from the east suppress entered chopsticks to the blow occurs. As a result, Oguz of the seeds one part north-steppe to regions, one part of front Asia countries retreats, again one part while present Turkmenistan to the territory past, native to the

population together , the Turkmens name with called goes Historian Rashididdin , as well as Mahmud Kashgari , Abul Ghazi information Oghuz are from 22 or 24 tribes , such as Chavdir , Emreli , Ich . yazir , salir , relative , bayot , koyi , taturga and from others organize found.

Ogiz to Movaraunnahr come in goes and from him to the southeast moving , new dynasty The Seljuks East Asia under the leadership countries invasion to do enters that's two turkish state only Movaraunnahrgina not but Medium East and Old Asia of the population political to his life strong effect shows. For example deaf people Uzbek and Tajiks , Oghuz Turkmen, Azerbaijanis , Karakalpaks in ethnogenesis important role plays of the Syr Darya lower flow - Jand city surroundings (current Navoi province area) lived in Oghuz Seljuk led by Islam acceptance did (992). Seljuk from his death after they are Light around them located Mahmoud Ghaznavi from Amudaro past to Bukhara when going of the Seljuks guide amir Arslan (Israel) . Calling to them From Bukhara Khurasan to move ordered (1025). Historian Jozhoni's according to his writing , there are 4000 herbs Seljuks Yagmur , Bug, Koktash , Kyzil , Mansur, son of Anas such as emirs led by From Amudarya pass , Khurasan Sarakhs , Obivard , Farova , Niso , Dandanakon such as different in the regions my day found Seljuk Turks military in the 20s of the 11th century services in return from Mahmud Ghaznavi many awards received However for later Ghaznavids to them against army by sending Lion Ismail ibn Saljuq captive received and in India military in the castle in captivity kept (1032. He is in prison died) Seljuks to the treasurers against take went many successful from their walks after Nishapurni own leaders Tughrulbek proclaimed sultan did (1038). Dandanacon in the battle from victory then it is Khurasan declared as the ruler done come on slowness with the Seljuks Khorasan , Khorezm , West Iran , Azerbaijan , Iraq (Baghdad with together) . To themselves they subjugated . In Baghdad Tughrulbek in the name of Sermon trained . The Abbasids caliph al- Qaim (reign period 1031-75) power Tughrulbekka handed it over the sultan and " East and West to recognize as the king forced was and daughter to him get married gave _

Tughrulbek Rainy, brother Chagribek David (900-1060) Marvni to themselves the capital they did Tughrulbek in 1050 the capital From Ray to Isfahan copied . Alpine Lion and Malikshah dominions during the Seljuks Small Asia and close in the east strong settling down received they are Byzantium 200 thousand of the emperor Roman IV Deogenes personality his army overcome , (1071) entire Small Asia (1071-1081), later and Syria and Palestine conquest have reached Armenia , Georgia , Shirvan were also subdued . During this period Balkh , Termiz (1044), Bukhara , Samarkand (1089), Kiyenchalik Fergana valley the Seljuks hand under united .

Arslan in 1072 to the peasants against walking during (self in the tent local of castles in their heads one is Yusuf al- Khorazmi by) will be killed. Of Ibn al- Asir to write according to Alp Arslan vital during Iran in 1066 in the north Radkon (Radakon) said in place the palace members in front son king the throne successor saying announcement did was Jalaluddin Malikshah name with to the throne sitting new the sultan rule exactly twenty year continue became (1072-1092). His rule the Seljuks of the state the most flourished period it happened . Jalaluddin Malikshah during the Seljuks of the state borders eastern From Turkestan Medium land to the sea until stretched out went Highlight, that's it huge in the area socio-political , economic life manage for qualified specialists need was so one in the situation Movaraunnahr and Khurasan cultural layers lost came out educated local people representatives state to work attraction reach started so from people one originally From Tus who was Abu Ali ibn Ali ibn Ishaq It has been almost 30 years during (1063-1092) Alp Arslan , Malikshah the prime minister in his palaces in office was _ His high potential , intelligence giving high marks Sultan Malikshah to the minister " Nizamulmulk " (" Davt charter , law ")

2023: International Conference on Multidimensional Research and Innovative Technological Analyses (SPAIN)

<https://www.conferenceseries.info/index.php/ICMRITA>

honorary nickname gave own of the era mind person was Nizamulmulk in the famous work " Politics " . state management , politics principles in particular word conducted.

Highlight must be the Seljuks state like huge regions own into received the state from a single center manage easy it's not was that's why for also from the center standing up in management difficulties , dynasty representatives the crown is the throne for struggles , local of rulers to independence aspirations , dependent in the countries protest movements The Seljuks of the state weakening reason was was _ Alpine Lion instead of to the throne succession did Malik Shah (1072-1092) is a lot time without passing Termiz and Balkhni from Karakhani back takes in 1089 with a large army From Amudarya pass , Bukhara and occupied the cities of Samarkand .

Malikshah was also killed in 1092 . The Seljuks in the state rebellion and riots starting went these rebellions in 1118 to the top Sultan When Sanjar (1118-1157) came calmed down . His during the Seljuks in Movaraunnahr the most high position they achieved. However Sultan of Sanjar 1141 Karakhitay with Katwon was in the desert (near Samarkand). in battle sharpener to the blow met himself correct could not get and died in 1157 In this way , the Seljuks state done found. The Seljuks during Medium and near East , Eastern Europe , India , China such as country and countries with trade connections expanded . Even Seljuk the ruler Sultan Malikshah East and West between directions trade more revive in order to Khurasan and Iraq merchants some one trade from payments free reached Money in handling local importance occupation reached , in the composition additional metal mixture was column main role played internal in the market dirhams are also used . But pure of gold tattoo done the most high level red dinar the main role in the transaction played the Seljuks big the area possessions because of China and Byzantium with borderline and also they with was also in competition . Especially Byzantium The Seljuks invisible , possible until them bottom tries to cut was in this regard they even in Europe Islam getting stronger to go against to fight for the purpose of " ideological those who started "struggle " . Exactly that's it ideological struggle of Europeans " Neg marches to the beginning reason it happened . This is a walk bottom in shearing of the Seljuks historical services not to forget it is necessary The Seljuks state on top higher ruler- sultan (sultan ul member) standing . His on behalf sermon read and minted done state and management to the records appointment , official work control to do and another the sultan authority within was the Seljuks management system Somonites, Karakhanids , Ghaznavids like to two : the gallows and to the devans divided . Ulug ` hajib , horis amir (amir horis) , salahdor , representative on the gallows main positions counted . Prime Minister office excellent central management on top standing. Cabinet tuğro , divani resignation (finance divani), divani waste (control divani), divani application (military ministry) like official devans was Province their chiefs (volyi) are also their own to the devans have was Governors the sultan by appointed they are region life with depends all areas : finance , court , tax , military works , punishment offices leadership they did From this except city scale management almost system so was.

The Seljuks in the state , especially Great from the Seljuks Tughrulbek , Alp Arslan , Malikshah , Sanjar periods economic and cultural in life big rise face gave Craftsmanship progressive industries : textile , pottery , jewelry , glass making , blacksmithing , mining and carpet knitting developed Great silk the way huge of the kingdom central from cities past Eastern Europe , Byzantium , India , China countries with trade connections growling developed Malikshah East and West between trade revive for Khurasan and Iraq merchants from duties free did Caspi the sea through to Turkestan oil products given . Internal trade is also developed . In the country pure of gold tattoo done dinar (red dinar) current done from this except local There were also dinars (rukni) and copper dirhams .

The Seljuks in the state science and culture developed, Especially Iran , Iraq and in Movaraunnahr cultural rising high was Nishapur , Isfahan , Basra, Herat , Bukhara , Samarkand madrasahs that's it

done. Great minister Nizamulmulk built in Baghdad Regulation madrasa (1067) whole to the world famous was Nizamulmulk the state manage basics about the work " Policy ". Created Astrologer and mathematician scientist Omar Khayyam to the project according to Isfahan observatory built. He is Malikshah to the assignment according to in the observatory observation their work take went and of the Sasanians Shamsi calendar reform reached , New calendar (" Malikshah calendar " or " Jalal era ") . compiled (1079). Statutory Ganjavi , Jalaluddin Rumi , Saadi Shirozi , Omar Khayyam Persian of his poetry never fade masterpieces created Muhammad Ghazali , Farididdin Attar , Khoja Yusuf Khomadani such as islam scholars and Sufis creativity they did The Seljuks in the state math and science star (Bahoviddin Abubakr Marvazi , Sharofiddin Tusi , Abulhasan Ali Marvazi , Abulhotun Muzaffar Isfizari , Zahiriddin Ghaznavi), medicine and chemistry (Ismail Jurjani , Fakhriddin Razi), history (Zahiriddin Nishapuri , Sadriddin Hasayni , Anushirvan Kushani , Abu Bakr Ravandi), literature (writer Sabir Termizi , Nasir Khusrav , Anvari , Asiriddin Aksikati , Raf'i Marvazi and others), to the fields about many priceless works created. In this period Nishapur , Marv, Isfahan , Ray, Hamadan such as the capital cities , as well as Bukhara , Samarkand, Termiz many architectural memorials built. Marv is blooming yashnagan , he " Marvi Shahijahan " - " Cities He was glorified as Shahi . Historian and a tourist Ruby Hamawi In Marv when it was this there are 10 big ones library that there is saw and of them used. We sweat nearby In Prophet's land Zulkifl complex (XI-XII centuries) , Sultan Happiness architectural monument (XI-XVIII centuries) , Jarkurgan tower (1109), Marwda Sultan Sanjar mausoleum (XII century) and another architectural monuments built the Seljuks Konia culture in the Sultanate progressive reached small of Asia Islamization process become stronger and mystical Maulawism , Bektoshiya such as sects formed , akhiye (youthfulness) and remaining increased . Jalaluddin Rumi , Yunus Emro (1240-1320) , Khoja Bektash Vali (1248-1338), Shahabeddin Suhrawardy like famous mystics lost came out Koniya (Iconium) , Sivas, Caesarea , Nicaea cities big culture centers calculated . At this time , the epic "OGUZNOMA". The written version was formed in an anecdote The master The image of Nasriddin (Efandi) (Turkistan and in Anatolia) was created .

Summary: Seljuks state come output and state as organize to find look throwing Turkish Oguz is a tribe . In history each one of the state come output, his roots tribe , clan tribes to the union go is worn To history look throwing if we are , har one developed state or to the empire his own each bilaterally development for one chance as given as if same as well the Seljuks the state is also his own the most developed to the period have of course this period of the state all fields wide in scope development finds. For example Jalaluddin Malikshah rule during The Seljuks of the state the most blooming lived period begins . In this period of the population to live from the style , socio-economic from his life rule doing of the sultan How wise, far - seeing person that our understanding can of course of the sultan take went all reforms only his initiative with not measured , maybe the state office in doing the palace members the place is also incomparable . The Seljuks state development and of the population to live tazini in learning of Nizamulmulk services not to forget it is necessary His to the pen Belongs to " Policy " . the state of management priority principles about a few data gives science is science attention and all learned breeds in the state found , of the population literacy increase state of development again one sign is considered.
